MOSAIC is an annual benefit for the Chicago Cultural Alliance that expresses our mission of cultural inclusion and equity. The CCA traces its origins to the Field Museum's Cultural Connections program founded in 1998. In celebration of our 15-year anniversary, we return to the Field Museum to bring together our donors and supporters with our diverse membership for a truly unique celebration.

### **BENEFITS OF SUPPORT**

Aligning your brand with important civic, cultural, and corporate leaders in the region.

Confirming your organization's commitment to your Diversity, Equity, and Inclusion goals.

Networking with civic and cultural leaders in an intimate setting.

Your support directly impacts the CCA's work connecting cultural institutions and communities together.

### **GALA HIGHLIGHTS**

MOSAIC features culinary offerings representing cultures from around the world. Performances illustrating Chicago's multicultural talent are showcased throughout the evening.

MOSAIC is an important opportunity for the Alliance to honor community, corporate, and civic leaders who have invested and engaged Chicago's cultural communities in dynamic ways:

**Our Outstanding Community Leader Awards** are given to a community leader who routinely go the extra mile to serve. These individuals enrich the social, civic, and cultural vitality of their communities by forging critical intercultural bonds with other communities.

**The Cultural Champion Award** recognizes one (1) regional leader who has supported arts and culture in the Chicagoland region, advocated for the inclusion of diverse voices in civic and cultural discourse, and influenced the shape of Chicago's cultural landscape.

**The Corporate Cultural Advocate Award**, recognizes a corporate or business leader who has supported and advocated for diverse cultural communities in the region, with a commitment to community-based giving.
