about

JOURNEY CHICAGO

culture

Journey Chicago is one of the signature public programs of the Chicago Cultural Alliance (CCA). It is an annual month-long festival of cross-cultural events at neighborhood and suburban cultural heritage institutions, all Members of the CCA.

dialogue

It is the first and only festival of its kind, dedicated to creating dialogues across cultures and promoting community understanding through collaborative events.

connection

We hope to create cross-cultural dialogue among Chicago's diverse communities through public programs. We Invite all Chicagoans to venture out into Chicago's many vibrant neighborhoods to make meaningful connections with cultural heritage organizations, and inspire neighborhood investment, active engagement, & lasting relationships within our community.

history

Journey Chicago was founded in 2017 as Inherit Chicago and held biennially until 2021. At that time it became an annual festival and its name was changed to Journey Chicago to reflect its invitation to all Chicagoans to journey through Chicago's many neighborhoods and cultures. Journey Chicago was temporarily put on hold during the pandemic with 2025 marking its return to the city.
